

Volunteer Registration

Welcome to Charity Republic!

As a volunteer, you have your own customizable profile in Charity Republic with your own login portal where you can easily record your volunteer hours and keep track of existing and developing skills and achievements.

How do I register as a volunteer with Charity Republic?

The organization you volunteer for will send you an email invitation to register for an account with Charity Republic - the subject line and the message will include the name of the organization you are volunteering for.

Congratulations!

You received an invitation from Happy Good Charity Centre to join Charity Republic!

[Accept](#)

1. Select the **Accept** link in the email message - this will take you to the registration page.
2. Select **Create Your Account** to create an account with your own username/password.
3. Select **Register** button after entering your details. You will automatically be signed in and can start using Charity Republic right away!
